OLD STYLE PEP

In Montana a railway bridge had been destroyed by fire and it was necessary to replace it. The bridge engineer and his staff were ordered in haste to the place. Two days later came the superintendent of the division. Alighting from his private car, he encountered the old master bridgebuilder.

"Bill," said the superintendent—and the words quivered with energy—"I want this job rushed. Every hour's delay costs the company money. Have you got the engineer's plans for the new bridge?"

"I don't know," said the bridge-builder, "whether the engineer has the picture drawn yet or not, but the bridge is up and the trains is passing over it."

Folks we have made a big mistake BEBE DANIELS in "DUCKS AND DRAKES" should have been booked at the Rialto for two days so EVERYBODY could have seen this beautiful "peppy" picture. Make the best of it—see it at the Gem Wednesday. 58-t2

LUMBAGO

This is a rheumatism of the muscles of the back. It comes on suddenly and is quite painful. Every movement aggravates the disease. Go to bed, keep quiet and have Chamberlain's Liniment applied and a quick recovery may be expected. Mrs. F. J. Dann, Brockport, N. Y., writes: "I can honestly say that Chamberlain's Liniment cured me of lumbago a year ago last summer. When I began using it, I was flat on my back in bed and could not turn to the left or right. I had a bottle of Chamberlain's Liniment in the house and this was applied to my back. It promptly drove away the pains and aches."
